Year Round Basketball  
AAU and League  
Summer/Spring and Fall

Dear Parent,

We are excited to begin signups for our Spring 2015. We are very excited to tip-off our 2nd year preparing youth players for the "next level".

**Mission:** The program purpose is to prepare players to compete at the high school level. Players will be instructed in the individual and team skills necessary to achieve success in high school, including aggressive man-to-man defending principles and how to successfully execute an offense. Special emphasis will be placed on the intensity, attitude and commitment necessary for success at the high school level. We are committed to player development, not sacrificing skills and teaching to win games and tournaments.

**Eligibility:** We are accepting players going in to grades 3-12 in the Fall of 2014. Players will be placed in practice and game groups based on age and ability.

**Program:** Players will participate in two workouts each week. Workouts will typically last one and a half to two hours, include around 10 players, and be held at Martin Luther King Jr. High School in Pittsburg.

The activities will closely resemble a typical high school level practice session. The program will form teams of approximately ten players to compete in Spring, Summer, and Fall sessions. Games are typically on Saturday or Sunday.

**Cost:** Team activities will be divided into Spring, Summer, and Fall sessions. The Spring session will run from February through May. The Summer session will run from June through August. The Fall session will run from September through October.

The Spring and Summer sessions will cost \$275.00 and the Fall will cost \$200.00. Participation in DJF includes one uniform per year. We do offer a family discount; and partial grants if you qualify please contact Monique for further details.

**Sign-ups:** Registration for the Spring Program will begin on February 10, 2015. Teams will be finalized on February 24th, players signing up after this date will be placed on teams based on availability as opposed to skill level. Upon signing up, schedules and payment information will be sent.
